	\$250,000	\$50,000	\$300,000

Planning - Year 3

School Connectivity	Classroom Technology	High-Tech Security Features	Total
	\$200,000		\$200,000

Planning - Year 4

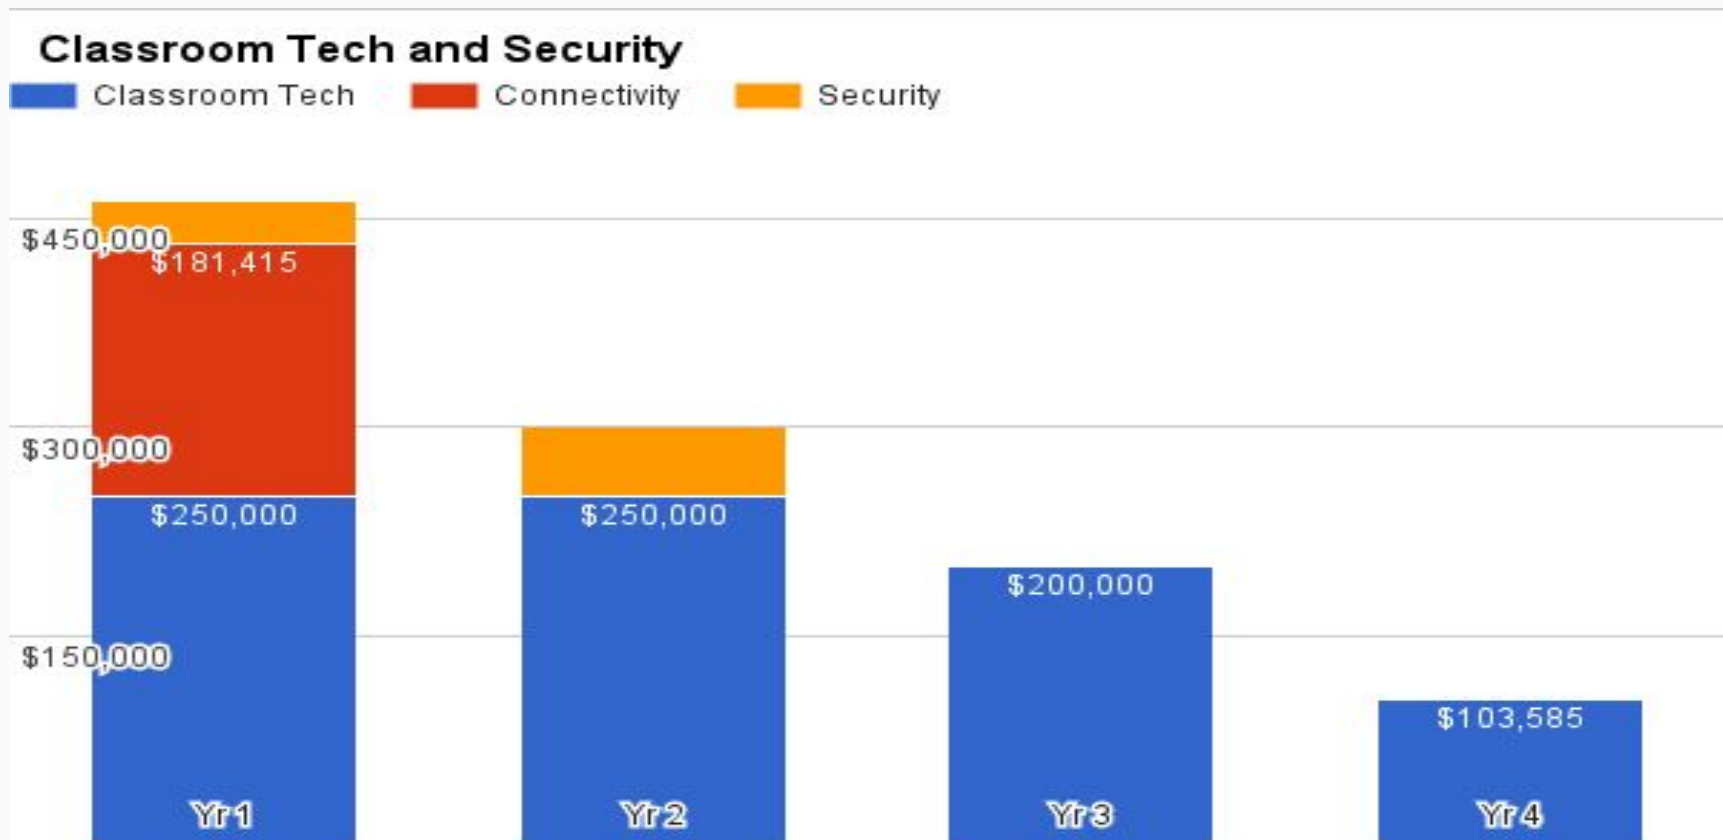

School Connectivity	Classroom Technology	High-Tech Security Features	Total
	\$103,585		\$103,585

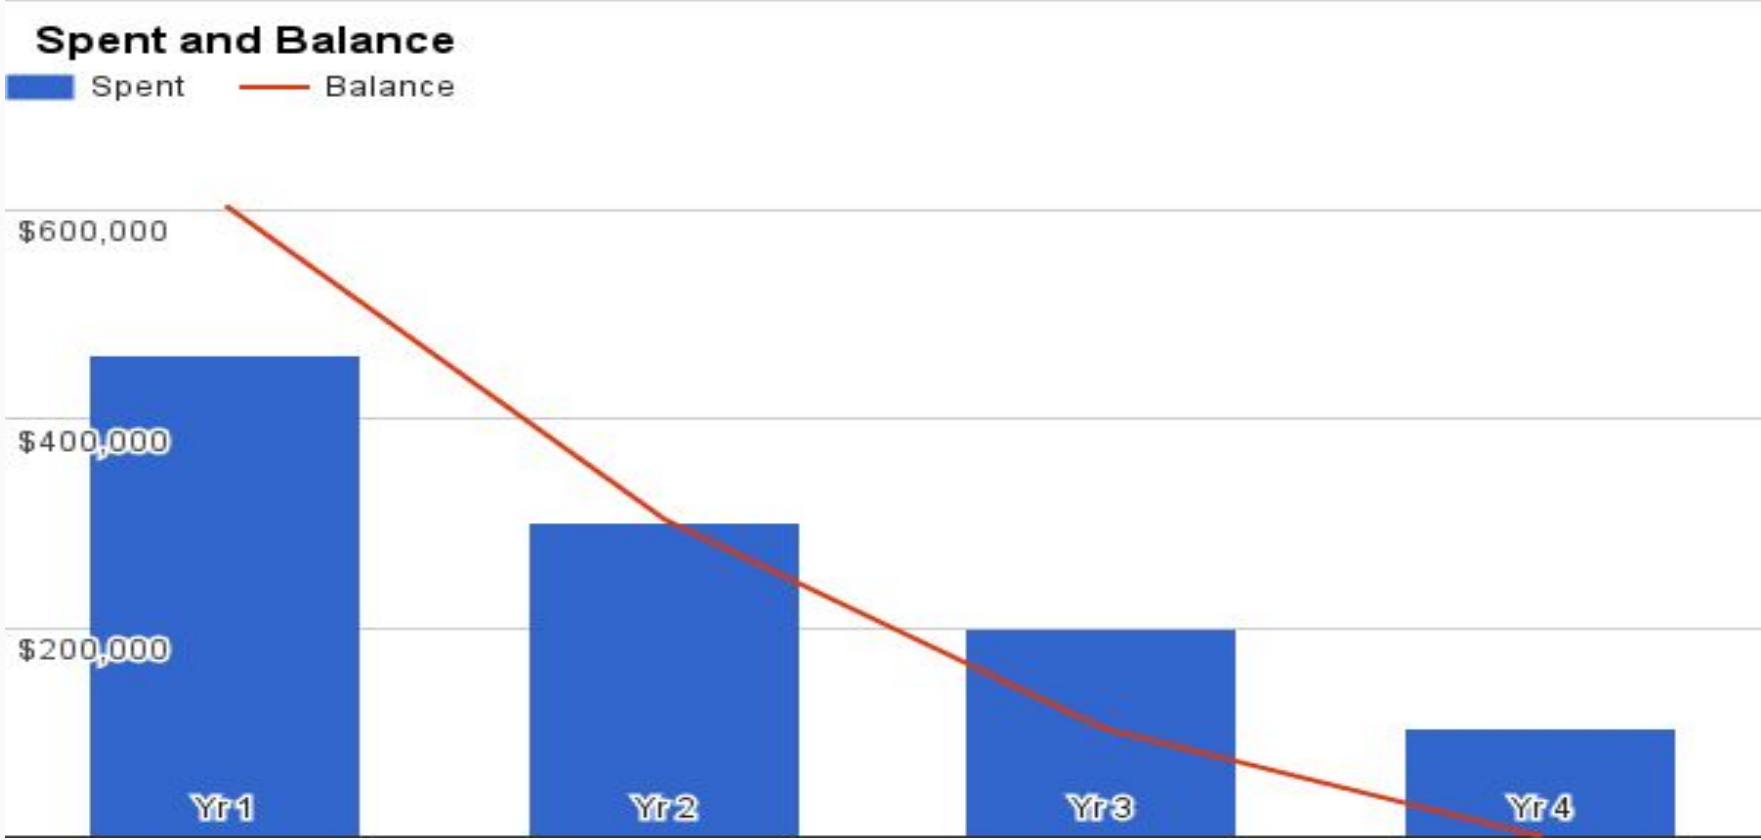

CSD Allocations

School Connectivity	Classroom Technology	High-Tech Security Features	Total
\$181,415	\$803,585	\$80,000	\$1,065,000

4 - Year Distribution

4 - Year Distribution

Several Caveats

Non-Public Schools:

King - \$33,500

Ambleside - \$2,000

Professional Development
excluded

Like Excel Aid

All of the dollars shown here may be revised as we continue our planning.

What Happens Next...

- The plan must be posted to the Web site for 30 days prior to submission.
- Submit to SED; plans are reviewed quarterly.
- Await corrections from SED, hopefully minimal!

Why This is Important!

Learning – Engaging and Empowering Learning Through Technology

Teaching – Teaching With Technology

Leadership – Creating a Culture and Conditions for Innovation and Change

Assessment – Measuring for Learning

Infrastructure – Enabling Access and Effective Use
